HARNESS THE POWER OF THIOGUARD® FOR OPTIMAL TREATMENT AND MAXIMUM RESOURCE RECOVERY

Resource Recovery is currently a primary focus in the water treatment industry across the U.S. - a key objective for plant operators, executives and municipalities. Mg-Water, Premier Magnesia's Water Utility Group, is an innovator in helping the nation's water industry evolve and adapt. As America's largest supplier of magnesia products, Premier is also the water industry's most trusted knowledge resource for magnesia and its central role in the evolving Resource Recovery Revolution.

Premier Magnesia, LLC is a global market leader in magnesia-based products and solutions.
